REPORT OF THE TRUSTEES OF THE DIOCESE.

Trustees of the Diocese of North Carolina respectfully report that since the last Convention they have received and filed the following deeds for real property:

1. Warranty deed of S. H. Campbell and wife to W. B. F. Johnson, for two parcels of land in Sanford Township, Moore County; consideration \$1,000; dated June 28, 1907, and recorded in Book 1, page 48, in the office of the Register of Deeds for Lee County.

2. Mortgage deed of W. B. F. Johnson and wife to Lottie L. Wall, for the same property, assigned to the Banking, Loan and Trust Company, to secure payment of a debt of \$800, dated June 5, 1909; recorded in Book 1, page 132, in the office of the Register of Deeds for Lee County, and cancelled November 2, 1912.

3. Deed of W. B. F. Johnson and wife to the Trustees of the Diocese for the first parcel of land in the two deeds above mentioned, except so much thereof as was conveyed to the said Trustees by the said Johnson by a deed dated March 15, 1913. This deed, made in consideration of \$1,000, and dated November 20, 1913, is recorded in Book 8, pages 507-9, in the office of the Register of Deeds for Lee County.

The Trustees also report that at the request of the Rector and Vestry of the Church of the Holy Comforter, Charlotte, they executed a deed of trust to secure a loan of \$5,000, made to said Vestry by Joseph Garibaldi, to enable the Vestry to consolidate outstanding debts and take up obligations secured by former mortgage made

by the Trustees on the same property. It is understood by the Trustees of the Diocese that the former encumbrance will be fully removed by the Vestry.

JOS. BLOUNT CHESHIRE,

WM. H. WILLIAMSON,

CHAS. E. JOHNSON,

Trustees.

On motion, the report was referred to a Committee composed of Messrs. John W. Graham and W. J. Boykin.

Mr. Johnson presented his report as Treasurer of the Convention. (See Appendix C.)

The Rev. Sidney S. Bost presented the following

REPORT OF THE COMMITTEE ON FINANCE.

The Finance Committee beg leave to report that all vouchers and securities in the hands of the Treasurer of the Diocese have been examined and verified as shown in the Treasurer's printed report, copies of which are distributed on the floor of the Convention.

In several respects the Treasurer's report shows a healthier financial condition. For example: At the close of the year, March 31, 1914, he had collected from parishes and missions on the Episcopal and Contingent Fund, \$4,247.26. This year he has collected \$4,867.75, or \$620.49 more than last year. On March 31, 1914, arrears amounted to \$1,724.38. The present arrears are \$1,342.36, or \$382.02 in favor of this year. The Treasurer, however, informs the Committee that more than four thousand dollars of his collections came in after the first of March, showing that the parishes do not pay *quarterly*, as the Canon requires, their assessments for the current Episcopal and Contingent Fund, but wait until the end of the fiscal year. This is a source of constant embarrassment to the Treasurer, who is called upon to meet his obligations when they are due.

Your Committee's attention has been called to the following paragraph of the report of the Finance Committee, as published in the Journal of 1914 (page 35, line 19): "At the present time, the Diocese owes the *Carolina Churchman* this sum of \$500, while the Diocesan Treasurer's report shows a deficit. We recommend that this amount be paid at once, and that the Treasurer be authorized, if necessary, to borrow the same from any available funds." This \$500 referred to, was appropriated to the *Carolina Churchman* by the Convention of 1913. At present, only \$200 of this sum has been paid, leaving a balance of \$300, with interest of \$30 for a year, yet unpaid. The Treasurer thought it unwise to borrow the \$500, as recommended, and authorized by the Convention of 1914. Whereupon, the Chairman of the Finance Committee, with the advice of the Committee, and with the Rev. Thos. L. Trott as endorser, bor-

rowed the money from a Durham bank, got a receipt in full from the *Carolina Churchman*, and has paid interest on the principal sum up to May 26, 1915. The \$200 remitted by the Treasurer was received only a few days ago.

Your Committee offer the following resolutions:

1. *Resolved*, That it shall be the duty of rectors of parishes to remind their vestries as often as necessary, that the Canons require a *quarterly payment* of the assessment for the Current Episcopal and Contingent Fund, and that failure to make the payment causes as much embarrassment to the Treasurer of the Diocese as when parochial subscribers fail to pay their pledges to parish expenses.

2. *Resolved*, That the Treasurer of the Diocese be instructed to remit at once to S. S. Bost, Chairman of the Finance Committee, the \$30 advanced as interest on note for \$500, as explained above; that the Treasurer be instructed to pay him the balance of the principal sum as soon as possible; and, until the whole shall have been paid, to remit to the said S. S. Bost the interest as it falls due.

Respectfully submitted, THE FINANCE COMMITTEE.

The resolutions appended to the report were, on motion, adopted.

At the request of the Bishop, the reading of the report of the Trustees of St. Mary's School was postponed, and meantime it was referred to a Committee composed of the Rev. John B. Gible, the Rev. Theodore Andrews, the Rev. John L. Jackson, and Messrs. Wm. L. London, Wade R. Brown, and Frank Drane.

On motion, the report of the Board of Managers of the Thompson Orphanage and Training Institution was referred to a Committee composed of the Rev. Francis Joyner, Rev. Cyprian P. Willcox, Dr. R. H. Lewis, Mr. H. J. Thurman and Mr. Wm. A. Erwin.

Professor Walter Hullahen, of the University of the South, being presented by the Bishop to the Convention, made an address and plea for a generous support of the University on the part of the Southern Dioceses.

Dr. Chas. H. Herty, Chairman of a Committee appointed by the last Convention on the General Clergy Relief Fund, presented a printed statement of contributions from the congregations of the Diocese. He also made a verbal report on the Clergy Pension Fund endorsed by the General Conven-

tion; whereupon the Rev. Milton A. Barber offered the following resolution, which was adopted:

Resolved, That in conformity with the legislation adopted by the General Convention of 1913, setting forth the principles upon which a pension system for the Clergy of the Church and their dependents should be constructed, the Diocese of North Carolina adopts the system of the Clerical Pension Fund, a corporation created to carry the said principles into effect.

The following message was received from the Council of the Diocese of East Carolina:

NEW BERN, N. C., May 18, 1915.

REV. E. A. OSBORNE, *Greensboro, N. C.*

The Council of East Carolina send greetings to the Convention of North Carolina and report that we have appointed a Committee to coöperate with the Committees from North Carolina and Asheville in centennial celebration at New Bern in 1917.

MORRISON BETHEA,
Secretary.

On motion, the Secretary of the Convention was instructed to send a suitable reply.

The hours for the daily sessions of the Convention were appointed as usual.

For an invitation to visit the Normal College, extended by Dr. J. I. Foust, president of the institution, the Convention expressed thanks, and instructed the Secretary to convey the same to Dr. Foust.

Applications for admission as Parishes into union with the Convention were presented in behalf of St. Martin's Church, Charlotte, and St. Mary's, High Point, and referred to the Committee on New Parishes.

The Convention then adjourned.

After Evening Prayer at 8:30 o'clock, the Bishop read his Annual Address, and Mr. B. F. Finney spoke of the work of St. Andrew's Brotherhood. (See Appendix A.)

SECOND DAY.

CHURCH OF THE HOLY TRINITY, GREENSBORO,

WEDNESDAY, May 19, 1915.

The Holy Communion was celebrated at 7:30 o'clock, and the Convention met at 9:30 for Morning Prayer, which was said by the Rev. Messrs. Homer W. Starr, Ph.D., and Henry T. Cocks.

The Bishop then took the chair and called the Convention to order.

The presence of additional Delegates was noted, and the minutes of yesterday were read and approved.

The Rev. Bertram E. Brown presented the following

REPORT OF THE COMMITTEE ON NEW PARISHES.

The Committee on New Parishes report that having examined the papers relating to the application of St. Martin's Parish, Charlotte, and St. Mary's, High Point, they find them canonically correct, and beg leave to offer the following resolution:

Resolved, That the Parishes of St. Martin's, Charlotte, and St. Mary's, High Point, be admitted into union with the Convention.

BERTRAM E. BROWN,
Chairman.

The resolution was adopted and the Delegates from these Parishes took their seats.

The Rev. Dr. Pittenger presented the following

REPORT OF THE COMMITTEE ON CANONS.

The Committee on Canons would present first of all the matters referred back to it and the questions requiring action, that were not settled by the last Convention.

REPORT NO. 1. A proposed amendment to Article XII of the Constitution.

Resolved. That in Article XII of the Constitution *a majority of the delegates from Parishes* be substituted for the present phraseology in line 4, so the Article shall read:

When a Bishop is to be elected, the Convention shall vote by ballot and by Orders, and a concurrence of a majority of all the Clergy entitled to vote in the Convention, and a majority of the delegates from Parishes in union with the Convention, the said delegates voting by Parishes, shall be necessary to an election.

The Committee recommend the adoption of the proposed amendment.

[The resolution being under consideration, on motion of Mr. Chas. E. Johnson, it was laid on the table.—SECRETARY.]

REPORT No. 2. A proposed amendment to Article XIV of the Constitution.

Resolved, That in Article XIV of the Constitution, in section 1, subsection 2, the words *at least twenty*, in line four, be stricken out so the subsection will read: The adoption of the proposed alteration or amendment, at the next ensuing annual Convention, by a majority of the Clergy present and entitled to vote, and a majority of the delegates from Parishes entitled to seats in said Convention, the said delegates voting by Parishes.

The Committee recommend the adoption of the resolution.

[On motion, the resolution was laid on the table.—SECRETARY.]

REPORT No. 3. *Resolved*. That Article III, section 4, of the Constitution be amended by adding at the end thereof the following:

Provided further, that any Parish which has failed to pay its assessment for Episcopal and Contingent Fund for two consecutive years shall not be entitled to representation in the Convention.

The Committee recommend the adoption of this amendment.

[On motion of the Rev. Geo. W. Lay, the amendment was referred back to the Committee to be considered in connection with the provisions of Article IX of the Constitution.—SECRETARY.]

REPORT No. 4. *Resolved*, That Article IX, Section 3, be amended by striking out the first four lines, and inserting in lieu thereof the words: In all Parochial elections none shall be entitled to vote but members of the Parish of the age of twenty-one years, who shall have subscribed a declaration in the following words, viz.

[On motion, the resolution was referred to the mover, the Rev. John B. Gible, for correction.—SECRETARY.]

I. MCK. PITTINGER,
Chairman.

The Rev. Geo. W. Lay offered certain resolutions which, on his motion, were referred to the Committee on Canons.

The Rev. John B. Gible presented the following

REPORT OF THE TRUSTEES OF ST. MARY'S SCHOOL.

The President of the Board of Trustees of St. Mary's School, Raleigh, on behalf of said Board, submits the following report in accordance with the provisions of the act of incorporation.

A summary of the annual account of the Treasurer of the Board to May 1, 1915, shows the following:

Building, Equipments, and Endowment Fund.

Balance May 1, 1914.....	\$2,263.54
Paid on notes	305.00
Paid on interest	94.50
	—————\$2,663.04

Endowment Fund.

Balance May 1, 1914.....	\$ 577.93
Cash donations and on notes.....	365.00
Interest	20.60
	————— \$963.53
Martin Scholarship	\$3,000.00
Interest	649.54
	—————\$3,649.54

The accounts of the School can not be made up until the end of the year, and so no statement as to them can be submitted at this time. The year just drawing to a close has not been so satisfactory from a purely financial point of view as some previous years. In common with most other institutions of a like kind, St. Mary's has felt the depressing effects of the general business situation. But no difficulty is anticipated in meeting all obligations of the School. The number of pupils has been somewhat less than last year in the boarding department, but only by seven; and a corresponding increase in local attendance makes the total enrollment the same for both years—279.

It is believed that the general condition and work of the School during the current year has been distinctly in advance of previous years, and in the highest degree satisfactory. Suggestions and directions of the Board of Trustees at its last meeting, especially with regard to the employment of a special instructor in physical culture, have been carried out by the Rector of the School, with manifest advantage to the general development of the course. In this connection, however, it must be remembered that it is very greatly to be desired that more adequate equipment should be provided for the Gymnasium. Two or three thousand dollars expended in this direction would give St. Mary's a gymnasium adequate to our needs, and such as would add greatly to the attractiveness and efficiency of the School.

It is gratifying to find that the reputation and influence of St. Mary's beyond the borders of the Dioceses especially interested in it, seems to increase rather than diminish, notwithstanding the very great increase in the number of educational institutions of a high grade in all parts of the country. During the present year pupils from fifteen States and the District of Columbia, representing twenty-three Dioceses, have been in attendance, and although much the greater number are of our own communion, yet it is interesting to note that six other of the principal religious denominations of

the country are also represented, and that they make up twenty-four per cent of the total attendance in the boarding department. In the local attendance the proportion is probably greater rather than less.

It is not necessary to go into details in regard to this important institution of our Carolina Dioceses, since the Rector of the School will be in attendance upon the several Conventions, to give all information which may be desired. It should be mentioned, however, that no adequate steps have been taken to provide for the debt of \$40,000, incurred in the enlargement and improvements of the School buildings a few years ago; and that money is still needed, and will be needed in increasing measure as time goes on, to develop and extend the usefulness of our School, if it is to take advantage of the great opportunity open before it for service to the Church and to the country.

All of which is respectfully submitted.

May 10, 1915.

JOS. BLOUNT CHESHIRE,

President of the Board of Trustees of St. Mary's School.

The Rev. Mr. Gible, as Chairman of the Special Committee to consider the report of the Trustees, reported that it contained nothing requiring special action of the Convention. Addresses in regard to the School were made by the Rev. Geo. W. Lay and Rev. Isaac W. Hughes.

Mr. Archibald H. Boyden read the following

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON
ORPHANAGE AND TRAINING INSTITUTION.

The Board of Managers held its twenty-ninth annual meeting in the office of the Superintendent, at the Orphanage, on the 23d day of April, 1915, a quorum being present, and the Bishop presiding.

The Rev. Walter J. Smith, Superintendent, read his annual report, also his annual statement as Treasurer. Mr. Jos. G. Shannonhouse rendered his statement as Treasurer of the Permanent and Endowment Fund, all of which are hereto appended.

The children appeared to be happy and well cared for, and showed the effects of excellent training.

We find in the Institution April 1st, 72 children; 48 from the Diocese of North Carolina, 10 from East Carolina, and 14 from the District of Asheville.

The monthly cost of maintenance is \$10.50 per capita.

During the past year contributions from all sources amounted to \$7,159.84, as follows:

From Diocese of North Carolina.....	\$3,366.70
From Diocese of East Carolina.....	1,403.27
From District of Asheville	387.27
Individual contributions	2,002.60
	\$7,159.84

For the ensuing year \$8,000 will be needed for running expenses.

Thus far the annual contributions, etc., have been sufficient to cover all expenses and keep the Institution free from debt; yet little if anything has been available for necessary improvements.

During the twenty-eight years of its existence, 524 children have been cared for. While this not as much as might have been done with a more adequate equipment, yet, under the circumstances, we consider it an exceedingly good showing.

The Farm and Dairy yielded a net profit of \$1,183.53 during the year last past, but under more efficient management we feel satisfied that these figures might be greatly increased.

We recommend a broader scope in the management of the Institution, and ask that if it can be legally done, the Board of Managers be increased from seven to fifteen, and that six be considered a quorum for the transaction of business.

Respectfully submitted,

ARCHIBAD H. BOYDEN,

WILLIAM H. HARDIN.

For the Board of Managers.

ANNUAL REPORT OF THE REV. WALTER J. SMITH, SUPERINTENDENT OF
THE THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

To the Board of Managers—Greeting:

The past year, like the previous one, may be truly said to have been marked by many interruptions and uncertainties in our working force, especially in the main building, and also by the usual falling off of receipts during the summer months; and yet, as heretofore, we have much for which to be thankful, though we regret to have to report a much smaller credit balance than usual. Owing to a falling off of receipts from all sources, and to an increase in our expenses, we find ourselves with fifteen hundred dollars less on hand than we ought to have at this time of the year. This condition is due partly to a falling off in contributions, and to the farm account, and partly to the high cost of living, maintenance of the new building, the care of a sick boy, and extensive repairs and improvements. The estimated cost of painting, plumbing, carpenter work, masonry, tinning, electric wiring and whitewashing amounted to \$1,002.96, of which sum \$126.97 was paid from the current fund, \$169.05 from the interest on the permanent fund, and the balance

from money received from the sale of land. The improvements were all necessary, and have added much to the convenience and appearance of the buildings. For the coming year we will need for salaries, groceries, shoes, fuel, lights, repairs and other expenses the sum of eight thousand dollars.

During the year we have had five different matrons and a substitute in Thompson Hall, and this has caused an increase in expense, and unsatisfactory work. We have also had a change in matrons of Bronson Hall, and in the sewing teachers. The work in the school-room has gone on with the usual regularity, and the children have shown marked improvement in music under the training of Mrs. Alice Jones, of Louisa, Va., who has also had charge of the music in the chapel.

We have received twenty-four children during the year, of whom two came from the Diocese of East Carolina and the rest from North Carolina. Eight have returned to their former homes, one has gone to Patterson School, two to the school at Valle Crucis, three, taken temporarily, to Barium Springs Orphanage, and five were dismissed, leaving the number at the end of the fiscal year, seventy-two. Of this number, fifty are from the Diocese of North Carolina, ten from the Diocese of East Carolina, and fourteen from the District of Asheville. We also had the charge of two children for more than two months from the Blind and Deaf Children's Aid Society at Pine Bluff. The health of the children has been good on the whole, but quite a number of them had to have their adenoids and tonsils removed. We can not refrain from calling upon the brethren once more to interest their Sunday Schools in our work, as it will be good for them, and for us, too.

In closing my report, I wish to thank Dr. Hunter, our physician, and the other physicians and dentists in the city for their professional attention to our children, and also the City Water Works, the Standard Ice and Fuel Company, and the railroads, for their kind favors, which are much appreciated.

Hereto I append my report as Treasurer.

J. G. SHANNONHOUSE,
Trustee.

The Rev. Francis Joyner presented the following report:

The undersigned Committee appointed to report on the Thompson Orphanage, having read and carefully considered the reports of the Board of Managers, of the Superintendent, and of the Trustee of the Permanent Fund, beg leave to report:

We endorse all the recommendations made in the report of the Board of Managers, but advise that no investments be made in permanent improvements until the great and important question of selling the present lands now owned and occupied by the Orphanage and buying desirable lands further out, looking to the future good of the Institution, be wisely settled. We further advise that careful and serious consideration be given to this important matter by the Managers.

Your Committee beg to call attention to the importance of some additional methods being employed by the Board of Managers to secure adequate funds for the regular and constant support of the Orphanage.

Respectfully submitted,

FRANCIS JOYNER,
RICHD. H. LEWIS,
H. J. THURMAN,
W. A. ERWIN,

Committee.

Addresses on the subject were made by the Rev. Messrs. E. A. Osborne and Walter J. Smith.

On motion of the Rev. John L. Jackson, a Committee was appointed to consider the enlargement of the Board of Managers, with power to consult the Rev. B. S. Bronson and also

the authorities of the Diocese of East Carolina and the Missionary District of Asheville, and to carry into effect such measures as may seem to them expedient in regard to the matter, the Diocese being pledged to accept their decision. The Committee was composed as follows: The Bishop, the Rev. E. A. Osborne, Rev. W. J. Smith, Rev. M. A. Barber, and Messrs. Wm. A. Hoke, A. H. Boyden, John W. Graham, and Thos. H. Webb.

The Convention then took a recess.

WEDNESDAY, May 19, 3 P. M.

The Bishop called the Convention to order.

The Archdeacons of the Convocations read their annual reports, which were, on motion, referred to the Committee on the State of the Church. (See Appendix B.)

The Rev. James K. Satterwhite presented the following memorial from the Convocation of the Colored People for the advocacy of a Racial Missionary Jurisdiction for the colored people of the South:

To the Rt. Reverend, the Bishop of the Diocese of North Carolina, and the Convention in annual session assembled,—the Convocation of the Colored People sends greeting.

RT. REVEREND FATHER IN GOD:—The Colored Convocation of this Diocese is deeply grateful for the untiring interest manifested by you and the Diocese with respect to the "Racial Missionary Bishop Plan." We believe, too, that the position this Diocese maintains in the matter will weigh heavily in the mind of the General Convention in their disposing of the proposition in 1916. The Joint Commission of the General Convention appointed in New York City in 1913, to consider further the matter of Racial Missionary Bishops, or Suffragen Bishops for the Negroes in the South, has addressed itself to the Bishops and Secretaries of the Southern Dioceses for the purpose of ascertaining the mind of the Church in the South on this important subject.

The Colored Convocation in this Diocese feels a pride that few like Convocations in the South can boast of, in that its Bishop is Bishop alike over all of his flock, be they Black or White; but, too, we are deeply sensible of the fact that conditions peculiar to the South make a necessary distinction that, in most cases Negro Churchmen are made to feel humiliated.

It seems to us unlike the spirit of Christ to separate us from His body, the Church, without due regard for the things which will add most to the advancement of the Negro's moral, spiritual and intellectual natures. And the "Missionary Jurisdiction Plan," although it will sever wherever it may be tried the direct contact of the races,—for example, in diocesan conventions,—yet, on the other hand, will give to the Negroes a larger opportunity to develop those elements in the uplift of the race that under our present system we find impossible.

This Diocese, then, interested as it is in the development of the Church among the Negroes of our Southland, is requested by its Convocation Among the Colored People to reaffirm its position for Racial Missionary Bishops, taken at the Convention of 1913, and to urge the Commission on Racial Episcopate to adopt a resolution to recommend to the General Convention in 1916, similar to the one adopted by the Province of the Southwest a few months ago.

Resolved, "That the following memorial and petition be sent to the Commission on Racial Episcopate appointed by the General Convention of 1913, that it may please the Commission to recommend and urge upon the General Convention to assemble in St. Louis in 1916, that legislation be enacted by that body to provide that the Negroes resident within the area of this" *Diocese, and such other Dioceses as may favor the plan and are necessary to form the jurisdiction*, "with their lands and properties, may be constituted in a Missionary District of this Church, and a Missionary Bishop, of the Negro race, may be elected to be the Missionary Bishop thereof."

The Convocation Among the Colored People would also request of this Diocese to seek the coöperation in this matter of the newly-elected and consecrated, the Bishop of the Diocese of East Carolina, and through him the whole Diocese. The cause of the Negroes was nobly championed by the late lamented Bishop Strange of that Diocese.

We further request of this Diocese, that since the Bishop of South Carolina has announced his intention of withdrawing his request to that Diocese for legislation looking forward for a Suffragan Bishop of the Negro race, that this Diocese endeavor to secure the Bishop's influence and support in prosecuting the Missionary Jurisdiction plan instead.

Finally, the Colored Convocation realizes that without the friendly attitude of Southern white men in this matter, their cause is lost. The race, according to the most recent statistics, is not yet half Christianized. We believe that no one can more effectively reach our people than a Bishop of our own kith and kin. Only one or two Dioceses has ever sent a Negro representative as deputy to the General Council of the Church. North Carolina has taken the next step by the election of a Negro Clerical delegate to represent along with others this Diocese in the initial meeting of the Synod of the Fourth Province. The majority of the members of the General

Convention do not come in contact with the Negroes of the South, and for that reason do not enter into as sympathetic relation with them as they otherwise might, and as some of our Southern friends do. And do we hope vainly that some great Diocese in this crisis, in the near future, may rise in the exercise of its sense of justice and fairness to the Negroes, and send along as one of its deputies a *Black Man*, who can represent his people in the Great Council of the Church?

"Our hope and sufficiency is of God." We shall try to let no fear enter into our life. We believe it is our Father's will to give us the Kingdom, and we shall work hopefully and courageously as workers together with God.

H. B. DELANY, *Archdeacon*.

JAS. K. SATTERWHITE, *Secretary*.

A. MYRON COCHRAN,

GEORGE C. POLLARD,

Committee of the Convocation.

The consideration of this memorial was referred to a Committee composed of the Rev. M. A. Barber, Rev. F. M. Osborne, Rev. James K. Satterwhite, and Messrs. J. C. Buxton, Henry A. London, and Richard F. J. Johnson.

The Rev. Dr. Starr presented a report of the Board of Religious Education, as follows:

The Board of Religious Education has held four meetings since its creation by the Diocesan Convention on May 21, 1914. Organization of the Board was completed by the appointment of the following officers: Chairman, Rev. H. W. Starr; Secretary, Mr. E. D. Pusey; Treasurer, Mr. Wade R. Brown. The following committees for the subdivision of the work were provided for: Religious Education in the Home, Rev. George W. Lay; Religious Education Among the Colored People, Rev. A. B. Hunter; Religious Education in the Public and Secondary Schools, Mr. E. D. Pusey; Religious Education in the Sunday Schools and in Colleges, Rev. H. W. Starr; Music in the Sunday Schools, Mr. Wade R. Brown.

So far, these committees have been occupied chiefly in an effort to learn the actual conditions existing in the various fields of religious education here referred to. These investigations have not been completed. Indeed, they have hardly more than been begun. The Board is therefore not able to make at the present time such a report with recommendations as it hopes may become possible when its present plans have been brought to full accomplishment.

In the meantime, however the various lines of activity in connection with the Sunday Schools of the Diocese which were begun under the previously existing Sunday School Commission, have been continued without interruption.

A number of articles dealing with the problems of the Sunday School have been published, as heretofore, in the columns of the *Carolina Churchman*. Continued use has been made of the Circulating Library and of the exhibit of various types of text-books supplied by the Board. The Chairman of the Board has also been privileged to answer many letters of inquiry concerning the organization and equipment of Sunday Schools, and has held several personal conferences with interested workers. No parochial institutes have been held during the past year, as no requests for such assistance have been received.

Probably the most successful institute in the history of the Diocese, however, was held in connection with the Conference on Social Service and Religious Education at St. Mary's School during the first week of June, 1914. The addresses and conferences on Religious Education by the Rev. William E. Gardner, D.D., and the Rev. Llewellyn N. Caley were of great inspirational and practical value to the one hundred and fifty men and women in attendance. The Board takes this opportunity of expressing its sincere appreciation of the generous action of the Trustees of St. Mary's School which made this conference possible, and desires to put on record its sense of the great value of the service which has thus been rendered to the cause of Religious Education throughout the Carolinas.

The Board is much gratified that announcement has been made of a similar conference at St. Mary's School, which will be held during the week beginning May 31st. The principal addresses on Religious Education will be given by the Rev. Lester Bradner, Ph.D., a member of the General Board of Religious Education, who has made a special study of the correlation of the educational forces within the parish. The attention of all members of this Convention is called to the cordial invitations which have been issued by the Rector of St. Mary's School, and they are urged to coöperate with the members of this Board in an effort to secure the attendance at the conference of as large as possible a number of the Sunday School superintendents and teachers of the Diocese.

The Board wishes to express its appreciation of the response which has been given to its appeal for the financial support of the General Board of Religious Education, which has enabled us to pay in full our Diocesan apportionment of \$120. We ask that a similar apportionment be authorized for the ensuing year. We also ask that, as heretofore, the Diocesan Board of Religious Education be granted an appropriation of \$50 from the Episcopal and Contingent Fund to meet the expenses of the Board.

We therefore offer the following resolutions:

1. *Resolved*, That the Diocesan Board of Religious Education be authorized to apportion among the several congregations of the Diocese the sum of \$120, to be paid to the Treasurer of the Diocese and be by him forwarded to the Treasurer of the General Board of Religious Education.

2. *Resolved*, That the surplus remaining from the apportionment made for the above purpose last year, and the surplus, if any, which may remain in the hands of the Treasurer of the Diocese from the apportionment to be made this year, shall be by him transferred to the Episcopal and Contingent Fund.

3. *Resolved*, That the sum of \$50 be appropriated from the Episcopal and Contingent Fund to meet the expenses of the Diocesan Board of Education for the ensuing year; this amount, or any part of it, to be paid by the Treasurer of the Diocese upon the request of the Chairman of the Board when such request is approved by the Bishop.

Respectfully submitted,

HOMER W. STARR,
Chairman.

The resolutions appended to the report being approved by the Committee on Finance, were adopted.

Mr. Finley L. Williamson, from a Committee appointed at the last Convention to raise funds with which to provide a stenographer for the Bishop, submitted the following report:

Your Committee respectfully report that the sum of \$357 has been collected and turned over to the Bishop, and recommend the adoption of the following resolution:

Resolved, That a sum of \$500, or so much thereof as the Bishop may desire, be annually appropriated for the employment of a stenographer for the Bishop, and that the Treasurer be authorized to pay the same from the Episcopal and Contingent Fund of the Diocese.

F. L. WILLIAMSON,
Chairman.

The report was, on motion, referred to the Committee on Finance.

The Rev. Francis M. Osborne presented the following report:

The Committee on Church Work at the University of North Carolina wish to express their gratification that the Church work at the University of North Carolina has so strongly taken hold of the sympathy and interest of the people throughout the State, and that the financial support of the work is promptly and fully provided for by

the apportionment made for this purpose. Further than this, the Parish of the Chapel of the Cross at Chapel Hill, with the generous support of individuals throughout the State of North Carolina and elsewhere, has been able to carry out the program of parochial improvements as outlined last year. A new rectory, costing over five thousand dollars and modern in every respect, has been built and over five thousand dollars subscribed for the Parish House Fund. As soon as the contract can be let the construction of the Battle Memorial Parish House will be begun. It is believed that the erection of the Parish House will further improve the opportunities for work among the students.

During the past year a mission in the Parish and a general evangelistic campaign in the University carried on by the students has deepened the spiritual and moral life of the students and helped the Parish in its work. We therefore congratulate the Rector and Parish and ourselves on our opportunity of service offered at the seat of our State University, and pray God for His guiding and blessing upon our efforts.

FRANCIS M. OSBORNE,
Chairman.

The Rev. A. B. Hunter presented the following

REPORT OF THE COMMITTEE ON FINANCE.

The Committee on Finance offer the following resolutions:

1. *Resolved*, That the Assessment for the Episcopal and Contingent Fund for the ensuing year be twelve and one-half per cent on the Minister's salary and Current expenses.
2. *Resolved*, That the sum of \$142.50 apportioned to this Diocese for the Expenses of the Province of Sewanee be paid by the Treasurer from the Episcopal and Contingent Fund.
3. *Resolved*, That the following arrears of assessment be remitted: St. Mark's, Bristow, \$19.60; All Saints, Concord, \$100; St. Mary's, Greensboro, \$2.50; St. Mary's, High Point, \$89.10; Epiphany, Leaks-ville, \$16.75; Trinity, Mount Airy, \$179.

A. B. HUNTER,
Chairman.

The first resolution being under consideration, a motion of Mr. F. L. Williamson to make further provision, and another of the Rev. F. M. Osborne, that the assessment of congregations having rectories be fixed at sixteen per cent, were lost, and the resolution as offered by the Committee was adopted.

The second and third resolutions were then adopted.

The following resolution, offered by the Rev. I. W. Hughes, was adopted:

Resolved, That a Special Commission of five be appointed at this Convention to take into consideration the matter of percentage in the raising of the Episcopal and Contingent Fund, with especial reference to the inclusion of rectories at sixteen per cent of the rector's salary as a part of the basis of rating.

The Bishop appointed as members of this Commission the Rev. Isaac W. Hughes, Rev. I. McK. Pittenger, D.D., Messrs. W. L. Wall, Frank T. Ward and G. C. Lamb.

The Rev. A. B. Hunter presented his report as Principal of St. Augustine's School, and that of Mrs. Hunter, Superintendent of St. Agnes' Hospital. (See Appendix B.)

The Rev. Henry T. Coker presented the following

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

Your Committee has had to face the difficulties incident to the carelessness, indifference, and dilatoriness of those who are responsible for making the reports from the parishes and missions, as we must rely largely on these reports for the evidence and matter to indicate the condition of the Diocese. The reports have not been made at all in some instances, while in some cases where the reports have been made the inaccuracies are so glaring that they can be accounted for by nothing less than carelessness and indifference. Any comparison of figures would be futile, as you can readily perceive when we report to you that our calculations show that although there appears to have been an increase in communicants of 72 over last year, the decrease in "baptized persons" is 3,561. This large decrease can be credited to negligence in compiling reports and not any falling off in actual numbers. For instance, we find in two large congregations in one city over one thousand reported as communicants and yet not one "baptized person." Your Committee calls especial attention to this item because the General Convention requires the data on this subject for its own statistical purposes. On this whole matter of statistics your Committee is of the opinion that it would be decidedly helpful if the Journal of the Diocese were to include under the head of "Summary of Statistics" both the statistics of the past year and of the year preceding, as well as the increase or decrease, as the case may be, for the year. This would give a more accurate presentation of the state of the Church, so far as this can be expressed in figures, than any committee can possibly do which has to do its work with the incomplete reports which are received by the time of the meeting of the Con-

vention. We submit a resolution on this subject at the end of the report.

The Bishop has called your attention to the Colored work of the Diocese. It is interesting to note that the failure of the Diocese to do its duty to this most important field has impressed itself upon the Committees on the State of the Church as reflected in their reports each year, but so far as arousing the Church to do its duty in the matter, the failure has been most pitiful. To assure you of this it is necessary only to call your attention to the Canon which requires an annual offering for this work and to tell you that only fifteen out of the ninety-seven congregations of white people complied with the Canonical requirement, the total amount contributed being \$158.82. This is still more distressing when we find that of the seventeen Colored congregations, six voluntarily made offerings to the work of the Church at Chapel Hill. Your Committee recommend as a possible remedy for this shameful condition that where it is possible the Clergy invite the Archdeacon of the Colored Convocation to make addresses to the white congregations of the Diocese, presenting the work of the Colored people, so that a closer and more intelligent relationship may exist between the two Church peoples. While we believe that this might help to remedy matters, yet the evidence would indicate that the trouble is not so much that the congregations are unwilling to contribute to the work as it is that the Clergy have not given them the opportunity.

The Convention has had its attention called to the "Every Member Canvass" by the Bishop, and before the close of the Convention addresses will be delivered in your hearing on the subject. Your Committee feel that the development of this work would be of great value to the Church. We therefore append a resolution asking for the appointment of a Committee which shall promote this work. Such a Committee has been most effective in the Diocese of East Carolina.

The Convention should view with a sense of gratitude and pride the development of the Church work in the Cotton Mill districts. The calling of the Conference of Cotton Mill workers in the city of Charlotte last winter argues a splendid future for this work. But there is one phase of the Church work closely allied with the Cotton Mill work which has been neglected by the Church to a large extent. We speak of the Rural work. The rural districts lying around the large Parishes offer virgin soil so far as the Church is concerned. That the field is ripe for the harvest is evidenced by the splendid results achieved by the late Dr. Murdock in the rural districts about Salisbury. Another illustration of how this work can be done with great success is found in the rural districts around the city of Tarboro, where the laymen, under the leadership of Rev. Mr. Brown, are reaching hundreds of people. The reports of the Archdeacons show that they are giving their time almost, if not altogether, to the work which is already established in their re-

spective fields, and are unable to do anything in the way of pioneer work. In every Parish there are numbers of automobiles which could be used in reaching the outlying places. No work offers a better opportunity for the development of lay workers. We recommend this work to the rectors of the several parishes.

The reports of the Archdeacons indicate a healthy condition in the Convocations, which calls for congratulations.

The work of the Auxiliaries appears to be active and aggressive. We regret that the men and boys of the Diocese are not similarly banded together in uniform Diocesan organizations which would prove mutually helpful and stimulating. In some Dioceses this has been accomplished through a system of Church Clubs. We call your attention to this, that the mind of the Convention may be cognizant of a weakness which expresses itself in the small proportion of men in the congregations which are gathering from Sunday to Sunday in our churches.

The Bishop of the Diocese calls your attention to the effort on the part of the Special Committee of the General Board of Missions to raise an Emergency Fund. Your Committee commends to your consideration a resolution at the close of this report on the subject.

Your Committee offer the following resolutions:

1. *Resolved*, That the Secretary be directed to publish in the Journal, under the heading "Summary of Statistics," the statistics of the Diocese for the current year and for the year preceding, with the amount of increase or decrease as the case may be, if there be any such increase or decrease.

2. *Resolved*, That the Diocese of North Carolina pledge its moral support and its practical coöperation in carrying out in every Parish and Mission in the Diocese the principles and methods of the "Forward Movement," including the "Every Member Canvass" as recommended by the General Board of Missions.

3. *Resolved*, That an "Every Member Canvass" Committee of five members be appointed, which shall be charged with the carrying out of the above resolution, with such coöperation as may be secured from the Provincial Secretary and other sources as may be found necessary.

4. *Resolved*, That next Sunday, Whitsunday, the Clergy of the Diocese be requested to speak to their congregations regarding the "Emergency Fund" of the General Board of Missions, urging them to pledge one day's income to this cause; and further, that some person in the congregation be designated to receive the same and to forward it to the Treasurer of the General Board of Missions.

HENRY TELLER COCKE,

Chairman.

The resolutions appended to the report were adopted, and

the Bishop appointed the members of the Forward Movement and Every Member Canvass Committee as follows:

Convocation of Raleigh: The Rev. N. Collin Hughes, Rev. Milton A. Barber, Rev. Alfred S. Lawrence.

Convocation of Charlotte: The Rev. William H. Hardin, Rev. Warren W. Way, Mr. J. Cameron Buxton.

Convocation of Colored People: The Rev. Henry B. Delany, D.D., Rev. James K. Satterwhite, Mr. Wiley Latham, Mr. A. Myron Cochran.

The Rev. E. A. Osborne presented the following report:

The Committee appointed to coöperate with similar Committees from the Diocese of East Carolina and the Missionary District of Asheville, respectfully report that we have been in correspondence with the Bishops and others of these adjoining jurisdictions with encouraging results, but have not been able to arrive at definite conclusions; we therefore offer the following resolution:

Resolved, That the Committee be continued with power to act and report to the next annual Convention.

E. A. OSBORNE,
Chairman.

The resolution was adopted.

On motion, the Convention then adjourned.

At 8:30 o'clock, after a short devotional service, stirring missionary addresses were made by the Rev. W. W. Way, Rev. Wm. H. Hardin, Dr. R. H. Lewis, and the Rev. R. W. Patton, Secretary of the Province of Sewanee.

THIRD DAY.

CHURCH OF THE HOLY TRINITY, GREENSBORO,
THURSDAY, May 20, 1915.

The Holy Communion was celebrated at 7:30 o'clock a. m.

The Convention assembled at 9:30 for Morning Prayer, which was said by the Rev. S. M. Hanff and Rev. John B. Gibble.

The minutes of yesterday were read and approved.

Mr. John W. Graham, Chairman of the Committee appointed to consider the Report of the Trustees of the Diocese, reported that it contained nothing requiring the action of the Convention.

The Rev. Isaac W. Hughes, on behalf of the Rector and congregation of the Church of the Holy Innocents, Henderson, extended an invitation to the Convention to meet in that church for its next annual session on Tuesday, May 16, 1916. On motion, the invitation was accepted.

The Rev. George W. Lay offered the following resolution, which was adopted:

Resolved, That a Commission of three clergymen, two laymen and two laywomen to consider methods of reaching the rural population of the Diocese and to report to the next Convention.

The Bishop appointed the members of the Commission as follows: The Rev. Alfred S. Lawrence, Rev. Geo. W. Lay, Rev. C. P. Willecox, Messrs. S. S. Nash and Alonzo L. Harris, Miss Laura H. Carroll and Mrs. Chas. McKimmon.

The Rev. Geo. W. Lay offered the following resolution, which was adopted:

Resolved, That the Secretary be and is hereby instructed to print in the Journal the map and the facts presented by Archdeacon Hardin at the Missionary meeting Wednesday night.

The Rev. Milton A. Barber presented the following report, which was adopted by the Convention:

The committee appointed to consider the resolutions from the Joint Commission of the General Convention on the Racial Episcopate, and the petition from the Executive Committee of the Colored Convocation, submit the following report:

We have considered the three plans suggested by the Joint Commission of the General Convention, and are unanimously agreed that it would be for the best interests of the work among the colored people to establish one or more Racial Missionary Districts in the South with a Bishop or Bishops of their own race.

We therefore offer the following resolutions:

Resolved, That the Convention of the Diocese of North Carolina favors the establishment of separate Missionary District or Districts for the negroes, with a Bishop or Bishops of their own race.

Resolved, That our Deputies to the next General Convention be instructed to present a memorial and petition similar to that presented from the Diocese to the General Convention of 1913, covering the question of the Racial Episcopate.

JAS. K. SATTERWHITE,

RICHARD F. J. JOHNSON,
Committee.

The Rev. Geo. W. Lay presented the following report from the Social Service Commission, and offered the accompanying resolutions:

REPORT OF THE SOCIAL SERVICE COMMISSION.

May 18, 1915.

The work of a Commission such as ours is a new one in the whole country, and especially new in this Diocese. It is a matter that involves many questions which must be worked out, and only a few can be taken up from time to time.

One of the members of the Commission has kept careful track of all legislation at the last General Assembly, and the members of the Commission have met informally several times. They have also had formal meetings, especially one on January 28th.

The bills before the General Assembly were discussed at this meeting, and it was decided, among other things, that the Commission should concentrate its efforts at this time upon problems relating to convicts confined in jails, on the State farms, and working on the roads.

In accordance with the resolutions passed at this meeting the clergy are asked especially to see that religious services of some kind shall be arranged for the County and State convict camps, and where our own clergy are unable to attend to it, to see that such services are held by ministers of other religious bodies. The same holds true of any jails or county homes where people are confined. The Commission has desired that work shall be concentrated on this particular subject this last year, and that the clergy should get all information possible bearing on the religious conditions of such institutions.

The Commission also asks that all kind of proper reading matter should be sent to jails, convict camps and county homes, and suggest that Sunday Schools can help in this way.

In the much-discussed subject of child labor the Commission went on record as being of the opinion that adequate compulsory educa-

tion law, with machinery provided for its enforcement, would solve the child labor problem.

The Commission asks that all the clergy should make suggestions to any future Commission and coöperate in every way possible.

The Commission offers the following resolutions:

Resolved, That the present Commission on Social Service be discharged.

Resolved, That a Commission on Social Service, consisting of three clergymen and two laymen, be appointed annually by the Bishop.

Resolved, That the Treasurer of the Diocese be directed to pay from the Episcopal and Contingent Fund the necessary expenses of this Commission, not to exceed the sum of twenty dollars per year.

Respectfully submitted,

GEORGE W. LAY.

R. B. OWENS.

NORVIN C. DUNCAN.

JOSEPH HYDE PRATT.

FRANK WINSLOW.

The first and second resolutions were adopted; the third was, on motion, referred to the Committee on Finance. The Finance Committee consenting, the third resolution was then adopted. Whereupon the Bishop reappointed the members of the Commission.

Mr. W. Watkins Robards presented the following Statement from the Vestry of the Church of the Holy Comforter, Charlotte:

At a regular meeting of the Vestry of the Church of the Holy Comforter, Charlotte, held April 5th, it was

Resolved, That the Rev. Francis M. Osborne be authorized to arrange with the Trustees of the Diocese for the transfer to the Vestry of the Church of the Holy Comforter, the deed for the church property, which is now held in trust by the Trustees, as the deed to the church property should be in the hands of the Church authorities.

It was further

Resolved, That Mr. Osborne bring this matter to the attention of the Trustees of the Diocese at the regular Diocesan Convention to be held in Greensboro, May 18th, 19th, and 20th.

J. D. BALL,

Secretary of the Vestry.

The communication was, on motion, referred to a Committee composed of Messrs. John S. Henderson, John W. Graham

and Finley L. Williamson, who later reported the following resolution, which was adopted:

Resolved, That the Trustees of the Diocese be authorized, if in their discretion deemed advisable, to convey to the Vestry of the Church of the Holy Comforter, in Charlotte, all property now held by the Trustees of the Diocese and which was conveyed to said Trustees when the said Church was a Mission and not a Parish, for the benefit of said Mission; or if the Trustees deem it best to unite in the execution of a mortgage on said property.

Respectfully submitted,

JOHN S. HENDERSON,

JOHN W. GRAHAM,

F. C. WILLIAMSON,

Committee.

The Rev. R. B. Owens presented the following

REPORT OF THE COMMITTEE ON CANONS.

REPORT No. 5.—The Committee on Canons have carefully considered the resolution of Rev. Mr. Gibble, that “Article II, section 3, of the Constitution be amended as follows: In line 2, strike out the word *males* and insert in lieu thereof the word *persons*.”

The Committee wish to report this resolution without prejudice, and ask to be discharged from further consideration thereof.

[At the request of the mover of the resolution, the consideration of the report was postponed until the next Convention.—SECRETARY.]

SEC. 2. It shall be the duty of the minister in charge of each congregation in the Diocese to obtain, with the assistance of the laity, from every member of the same, if possible, an individual subscription, payable weekly: (a) to Domestic and Foreign Missions, and (b) to the work of the Convocation to which the congregation belongs: *Provided*, that in congregations where it has been found impracticable to obtain weekly subscriptions, a quarterly collection for each object through the offertory at a Sunday service may be substituted therefor; and further *Provided*, that where the Budget System, or some similar system, is in use it shall be considered that the provisions of this section are satisfied by remitting a contribution from such congregation quarterly to each of the above objects.

The Rev. A. B. Hunter presented the following

REPORT OF THE COMMITTEE ON FINANCE.

The Committee on Finance respectfully offer the following resolutions:

Resolved, That a two per cent apportionment on minister's salary and current expenses be made for the work at Chapel Hill.

Resolved, That a two per cent apportionment on minister's salary and current expenses be made for the University of the South.

The Committee believes the Diocese ought to furnish stenographer service to the Bishop, but in view of the amount now on hand and the state of the Diocesan treasury, they deem action for the present year inexpedient.

A. B. HUNTER,
Chairman.

The resolutions contained in the report were, on motion, adopted.

The annual elections being called for, tickets were distributed and the ballots collected by the Tellers, the Rev. S. M. Hanff, Rev. L. W. Blackwelder, Mr. James Webb, and Mr. J. R. Wilkes, who then retired to count the vote.

Mr. Chas. E. Johnson being nominated as Treasurer of the Convention, the Secretary was instructed to cast the vote of the Convention for Mr. Johnson, and he was declared elected.

Mr. Albert L. Cox presented the following preamble and resolution, which were adopted:

WHEREAS, In the minds of some of the members of our Diocese there is a desire to have a thorough and exhaustive report relative to the proper location of the Thompson Orphanage and Training Institution, therefore be it

Resolved, That a special committee of five be appointed to consider and investigate all matters relative to the location of the Thompson Orphanage and Training Institution and to make an exhaustive report concerning same to the next meeting of the Convention.

Resolved, further, That this committee take into consideration all matters which may have a bearing on the present or a changed location of the Institution.

The Bishop appointed as members of the Committee the Rev. E. A. Osborne, Rev. R. A. Tufft, Mr. Albert L. Cox, Mr. Archibald H. Boyden, and Mr. W. H. Avant.

On motion of the Rev. John L. Jackson, the Convention requested the Rev. Francis M. Osborne to furnish for publication in the *Carolina Churchman* his sermon preached at the opening of the Convention.

On motion of the Rev. Alfred S. Lawrence, it was

Resolved, That a Committee be appointed to investigate the status of the Parishes of the Diocese with the purpose of recommending that those which do not seem qualified to be Parishes, in accordance with Canon XXI, be reduced to the status of Missions; and to report at the next Convention.

The Bishop appointed as members of this Committee, the Rev. Alfred S. Lawrence, Rev. N. Collin Hughes, and Mr. Marshall DeLancey Haywood.

The members of the Woman's Auxiliary of the Diocese having entered the church, they were received by the Convention and their annual report was read by the Rev. Henry A. Willey. On motion of Mr. Henry A. London, the thanks of the Convention were expressed for the faithful and efficient service of the women of the Church. (See Appendix B.)

The Tellers of the vote for Trustees of St. Mary's School appeared and announced the election of the Rev. Milton A. Barber and Rev. Isaac W. Hughes. As the result of a second ballot, Messrs. Chas. E. Johnson and Wm. A. Erwin were also elected.

The Secretary presented a communication from the Secretary of the House of Deputies of the General Convention, containing the following report of a Joint Committee of that Convention:

The Joint Committee appointed in 1907, and continued in 1910, "to report a plan for the uniform registration of Communicants," respectfully reports that it has given the matter careful consideration, and is of the opinion that the different aspects of the question were admirably covered by the report made in 1907 by a similar Committee of the House of Deputies, to which they beg leave to refer. It will be found on pages 231 to 233 of the Journal for that year. We agree with all that there is said defining a "Communicant" as one who has received Baptism and Confirmation, or has been formally admitted to the Holy Communion as being "ready and desirous to be confirmed." We reiterate that all such should be enrolled and kept upon the Parish Register until death, transfer or discipline removes the name.

Neglect of the privilege of receiving the Sacrament, long absence, or even departure without a letter is not sufficient reason for erasing a name, as the person may reappear or ask for transfer after many years. His *rights* as a potential Communicant should be scrupulously considered. On the other hand, parochial reports should not be padded with misleading statistics. To *enumerate* all these non-effective members is to exaggerate the real strength of the Parish. Communicants known to have neglected for three years the reception of the Holy Communion, in spite of due and sufficient opportunity therefor, should not be reported for statistical purposes. But, as above suggested, nothing but death, transfer or discipline should justify the removal of a name from the Register.

We recommend that this ruling be made known to Diocesan authorities in order to secure the requisite uniformity.

The communication was, on motion, referred to the Committee on Canons to report to the next Convention an amendment of Canon XXVI in conformity with this action.

The Secretary presented a report of the Diocesan Association of the Clergymen's Retiring Fund Society, as follows:

The Diocesan Association of the Clergymen's Retiring Fund Society has had an unusually prosperous year, due to the increased liberality of our faithful friends in the Woman's Auxiliary of the Diocese, who still maintain their loyalty to the welfare of their aged brethren, and lighten their burden as they draw nearer to the bourn where they shall lay it down. May God reward their faithful affection.

The whole number of members of the Association is now 36, of whom 15 are annuitants who received in pensions from the parent Society at the last annual distribution the sum of \$1,111.50, being nearly four times as much as was paid into the Treasury.

JULIAN E. INGLE,
Secretary Diocesan Association.

On motion of the Rev. H. T. Cocke, it was

Resolved, That the thanks of the Convention are hereby tendered to the Clergy and congregations of the Churches in Greensboro, and to its citizens generally, for their hospitality in entertaining the members of the Convention and the visitors in attendance upon its sessions; as also to the newspapers for their reports of our proceedings.

The Rev. Wm. J. Gordon, from the Committee on the Sewanee Endowment, presented the following report:

REPORT OF COMMITTEE ON SEWANEE ENDOWMENT.

Your committee appointed to raise our part of the endowment of the University of the South under the "Nelson Plan" beg to report that during the fiscal year just closed the Treasurer of your committee has forwarded to the Treasurer of the University of the South \$850 collected on subscriptions for this purpose. This makes nearly two thousand dollars which we have paid toward the amount asked of us. On account of unusual condition of the financial world during the past year your committee has made no attempt to solicit additional subscriptions.

However, it must be evident to all that as the University needs income from all of the endowment asked for under the "Nelson Plan" that we ought to be willing to pay into the Treasury of the University for current expenses some part, at least, of the interest on the deferred part of the endowment until the whole amount of the principal has been paid in. Otherwise we are doing very little for the University and have done very little. The full amount of interest on our deferred part would be approximately \$1,500. It does not seem expedient to your committee at this time to ask for an apportionment of this whole amount. Under a former plan this Diocese was asked for \$250 annually for the Theological Depart-

ment, but only a small part of this was ever paid through the annual collection on the first Sunday in May. More than this ought to be done. Therefore your committee are of the opinion that if we undertook this year to apportion an amount among the parishes and missions of the Diocese for the current expenses of all the Departments of the University of the South our people would willingly pay the same.

Under this plan congregational collections would be asked for the payment of the current expense fund until individual gifts have made up our part of the principal of the endowment asked for. Collections for current expenses should be made through the Treasurer of the Diocese.

The Committee offer the following resolution:

Resolved, That the Committee on the Sewanee Endowment be continued, and instructed to raise gifts from individuals in the Diocese for the endowment of the University of the South.

FRANCIS M. OSBORNE,
WM. J. GORDON,
S. M. HANFF,
W. A. ERWIN,
ALBERT L. COX,
FINLEY L. WILLIAMSON,
Committee.

The resolution was adopted.

On motion of the Rev. Milton A. Barber, who presented a Canon on Clerical Pensions prepared for adoption by the General Convention, the following resolution was adopted:

Resolved, That the Committee on the General Clergy Relief Fund be continued.

The Convention then took a recess.

THURSDAY, May 20, 3:30 P. M.

The Convention reassembled, the Bishop in the chair.

The Tellers appeared and announced the result of elections, as follows:

Members of the Standing Committee: Rev. Milton A. Barber, Rev. A. Burtis Hunter, Rev. Sidney S. Bost, Dr. Richard H. Lewis, Mr. Albert L. Cox.

Delegates to the Provincial Synod of Sewanee: The Rev. Milton A. Barber, Rev. Sidney S. Bost, Rev. W. H. Hardin, Rev. Francis M.

On motion, it was ordered that the next six persons of each order, having the highest number of votes, should be declared elected as

Alternate Delegates to the Provincial Synod: The Rev. H. B. Delany, D.D., Rev. N. C. Hughes, Rev. H. W. Starr, Ph.D., Rev. S. M. Hanff, Rev. W. W. Way, Rev. J. B. Gible; Messrs. G. P. Burgwyn, D. Y. Cooper, R. B. Coit, J. Frank Wilkes, F. L. Williamson, and John S. Henderson.

On motion of Mr. Albert L. Cox, the Secretary was instructed to send to the President of the United States the following resolution as expressive of the sense of the members of this Convention:

Resolved, That the Diocese of North Carolina in Convention assembled in the Church of the Holy Trinity, Greensboro, express to His Excellency, Woodrow Wilson, President of the United States, its deep sympathy with him in the stress of the crisis which now confronts our Nation, and prays that God may guide him to a peaceful solution of the perplexing problems that are before him.

On motion, the Secretary was authorized to have printed twelve hundred copies of the Journal of the Convention.

There being no further business before the Convention, it was, on motion,

Resolved, That after the reading of the minutes and the usual final devotions the Convention shall stand adjourned.

The *Gloria in Excelsis* having been sung, the Bishop offered prayer, pronounced the Benediction, and declared the Convention adjourned *sine die*.

JOS. BLOUNT CHESHIRE,
Bishop of North Carolina.

Attest:

JULIAN E. INGLE,
Secretary of the Convention.

APPENDIX A.

ADDRESS OF THE BISHOP.

Brethren of the Clergy and Laity:

In opening this Ninety-ninth Annual Convention of our Diocese we should first of all thank God for the peace within our borders, and pray that He may preserve us in love and concord; and that He may in His wise providence so govern the minds and wills of men all the world over, that wars may cease in all lands, and that brotherly love and mutual helpfulness may replace the hatred and violence which now deform the face of so great a part of the world. I can not refrain from saying so much—but I will not say more. So vast and tremendous are the issues involved that they confound the mind and depress the heart of him who endeavors to estimate them. Of one fundamental fact of revelation they are the irrefutable evidence, namely, that the heart of man is deceitful above all things and desperately wicked. While we have been looking for peace and universal love and justice to be brought about by civilization and science and culture and human conventions, all of which are good in their way, we are suddenly confronted with a manifestation of human depravity almost beyond belief; and we feel how helpless is all human goodness without the regenerating and sanctifying work of God's Holy Spirit in the heart of the individual. The Church of Christ must brace itself for better conquests in this and in all lands if it is to fulfil its mission of bringing peace on earth.

During the year covered by our reports to this Convention, April 1, 1914, to March 31, 1915, we have lost one of our faithful clergymen by death. On the 24th of December last, the Rev. Henry Trowbridge Gregory fell asleep in Christ, in the eighty-first year of his age, and in the fifty-seventh year of his ministry. He was a native of Albany, N. Y., and served the greater part of his life in that section of the country. He came to this Diocese in 1896, and served devotedly and effectively in the church at Southern Pines until 1909, when failing strength compelled him to resign the responsible charge of the work. But his labors for Christ and the

Church never ceased so long as he was able to do anything for any one. I think I have never known a more single-minded devotion in any man than was in him. Good, true, loyal, diligent, unselfish, he set an example which all of us might follow with advantage to ourselves and to our work.

This Diocese has suffered another loss by death. The late Bishop of East Carolina had been so intimately associated with us that we may well claim our share of the loss caused by his departure. He was a Candidate for Orders in this Diocese before the erection of the Diocese of East Carolina, but being a resident of Wilmington, passed to that Diocese, and was the first person upon whom Bishop Watson laid hands in ordination, having been ordained to the Diaconate by Bishop Watson, April 20th, only three days after his own Consecration as Bishop, April 17th, 1884. Always an enthusiast in self-sacrificing work for those most helpless, he gave the first fruits of his ministry to that extraordinary work among the negroes of Southern Virginia, inaugurated and for some time carried on with remarkable results by the late Mrs. Buford. In 1885 he came to the Church of the Good Shepherd, Raleigh, but after two years with us, accepted a call to become rector of St. James's Church, Wilmington, in which he had been brought up. For a few years before his election as Bishop of East Carolina he was Rector of St. Paul's Church, Richmond, but his life, in spite of these brief experiences in other places, was chiefly identified with Wilmington and East Carolina. It was a curious and happy coincidence that the first person ordained by the first Bishop of East Carolina should become the successor of that Bishop, and the second Bishop of that Diocese. I need not speak of his work as Bishop; it is too well known. And there is no need that I should speak of his character by way of making it known to you, for many of you knew him as well or better than I. Indeed, there were few men in the State whose character seemed to make a more general appeal to the confidence and sympathy of the people at large. His warm heart, his broad humanity, his deep interest in everything affecting the welfare of the State and our people, his ready response to every demand for sympathy or help, and the warm and spontaneous eloquence with which he was able to express these attractive qualities of his character, made him one of the best known and best loved citizens of North Carolina. His death was a loss to us all as citizens no less than as

Churchmen. It would be unbecoming in us not to put upon our records at least this inadequate expression of appreciation of his character and our sense of what we have lost.

But we must turn to the consideration of the business for which we are met in this annual Convention. And first of all, in accordance with the requirements of the Canons, I must give you an account of my work and official acts.

It appears from the foregoing that, within the Diocese, during this past year up to April 1st, I had officiated at 180 services, administered the Holy Communion 47 times, preached 103 sermons, made 13 addresses, baptized 4 adults and 11 infants, officiated at 2 marriages and 7 funerals; laid one cornerstone, instituted one clergyman, consecrated two churches, and confirmed 512 persons. I confirmed also 73 persons in the Diocese of East Carolina.

The ordinations noted in their proper order in connection with my services throughout the year are more fully recorded as follows:

July 5th, the *Fourth Sunday after Trinity*, in the Church of the Good Shepherd, Raleigh, I advanced to the Priesthood the Rev. Lewis Nathaniel Taylor, Deacon, presented by the Rev. Julian E. Ingle. I preached the sermon. There were also present, assisting in the service, Archdeacon Hughes, the Rev. I. McK. Pittenger, D.D., and the Rev. Geo. W. Lay. All the Priests present joined in the Imposition of Hands.

August 2nd, being the *Eighth Sunday after Trinity*, in St. Luke's Church, Salisbury, I ordained to the Diaconate William Hoke Ramsaur. The Candidate was presented by the Rev. Walter J. Smith; the sermon was preached by the Rev. Sidney S. Bost. Archdeacon Hardin and the Rev. Walter L. Loflin also participated in the service.

The Candidate was presented by his father, the Rev. N. Collin Hughes, Archdeacon of Raleigh, who also preached the sermon. I was also assisted in the service by the Rev. John Hewitt of the Diocese of Harrisburg, the Rev. Wm. Walker, the Rev. Geo. W. Lay, and the Rev. Edgar H. Goold. All the Priests present joined in the Imposition of Hands.

Joseph Hoyle Hudson. The Candidate for Deacons' Orders was presented by the Rev. James E. King, and the Candidate for the Priesthood by the Rev. James K. Satterwhite. The sermon was preached by Archdeacon Delany. There were also present assisting in the services the Rev. Messrs. Chas. H. Male, Robert N. Perry, and the Rev. A. W. Cheatham. All the Priests present joined in the Imposition of Hands in the Ordination of the Priest.

October 18th, being the *Nineteenth Sunday after Trinity*, in St. Andrew's Church, Greensboro, acting upon the request of the Ecclesiastical Authority of the Diocese of East Carolina, I advanced to the Priesthood the Rev. Norvin Cornelius Duncan, a Deacon of East Carolina. The Candidate was presented by the Rev. James D. Miller. I preached the sermon, and was assisted in the service by the Rev. Edwin A. Osborne, Archdeacon Hughes, and the Rev. Robt. E. Roe. All the Priests present joined in the Imposition of Hands.

The newly ordained Priests continue in their former fields of work. The Rev. Wm. Hoke Ramsaur, Deacon, is with my consent continuing for the present his work in connection with the Students' Volunteer Missionary Movement. The Rev. Arthur William Taylor, after continuing for some months at Roanoke Rapids, has been placed under the Rev. Henry A. Willey, at Mayodan, to have special charge of Walnut Cove, Germanton, and Mount Airy. Rev. John E. G. Small is serving the colored mission of St. Titus, Durham, under the direction of Archdeacon Delany.

We have lost from our clergy list during the past year the following names:

The Rev. Henry Trowbridge Gregory, *Presbyter*, died Dec. 24, 1914.

The Rev. Frank James Mallett, *Presbyter*, transferred to Indianapolis, Sept. 4, 1914.

The Rev. Winborn Lawton Mellichampe, *Presbyter*, to Virginia, March 2, 1915.

We have gained during the year:

The Rev. Wm. Hoke Ramsaur, *Deacon*, ordained Aug. 2, 1914.

The Rev. Arthur William Taylor, *Deacon*, ordained Aug. 30, 1914.

The Rev. Jno. E. G. Small, *Deacon*, ordained Sept. 3, 1914.

The Rev. John Long Jackson, *Presbyter*, received from Virginia Sept. 15, 1914.

The Rev. Robt. Alexander Tufft, *Presbyter*, from Southern Florida, Nov. 1, 1914.

The Rev. Norvin C. Duncan, *Presbyter*, from East Carolina, Nov. 1, 1914.

The Rev. Warren W. Way, *Presbyter*, from Central New York, Nov. 14, 1914.

Having lost three and gained eight, our net gain for the year is five, making our present total 62: one Bishop, fifty-one Priests, and ten Deacons.

The Candidates for Orders are:

Geo. Crummell Pollard, Arthur Myron Cochran, Sanford Louis Rotter, Edgar N. LeBlanc, Geo. H. W. Bullock, Jacob Frederick Burg, Basil Manly Walton, and Edward W. Mellichampe.

The Postulants are:

James Reginald Mallett, Howard S. Hartzell, Theodore Stroup, Edward G. Joyner, William A. Grigg, Lorenzo A. King, Goulbourne M. Blackett.

The fields of labor of the clergy continue as heretofore, except as follows:

The Rev. John Long Jackson has accepted charge of the Mission Church of St. Martin's, Charlotte.

The Rev. Robt. A. Tufft has become rector of St. Peter's Church, Charlotte.

The Rev. Robt. E. Roe has become rector of the Church of the Holy Trinity, Greensboro.

The Rev. Norvin C. Duncan has taken charge of St. Stephen's, Duke, and St. Paul's, Smithfield.

St. Luke's Church, Salisbury, vacant by the resignation of the Rev. Frank J. Mallett, has now the Rev. Warren W. Way as rector.

The Rev. A. Whitfield Cheatham last October resigned the rectorship of Emmanuel Church, Warrenton, and became rector of St. Timothy's, Wilson.

The Rev. Thos. L. Trott has resigned his work in Durham, and has assumed charge of St. Paul's Church, Monroe, and the Church of the Messiah, Rockingham, since April 1.

The Rev. Locke W. Blackwelder in December, 1914, resigned charge of Trinity Church, Scotland Neck, and St. Mark's, Halifax, and removed to High Point to undertake the important work of St. Mary's Church in that town.

The Rev. Clarence G. Prosperi, Deacon, has been transferred from St. Timothy's Church, Wilson, to the charge of Trinity Church, Statesville, and All Saints', Concord.

We have still many fields of labor in the Diocese vacant, or but ill supplied with the ministrations of the Church, but on the whole a very great advance has been made over last year, and there is good hope of further improvement in the near future. It is gratifying to find that our young men are not wholly indifferent to the call of the ministry, and that, while we gladly welcome good men from other Dioceses who come to supply our vacant parishes and missions, we are doing something ourselves to supply new men for our own increasing demands, and also helping other Dioceses with contributions of men for their work. Twenty-five names on our clergy list are those of men whom I have myself ordained; and I find on the clergy lists of other Dioceses seventeen names of men ordained by me and transferred.

But we must not suppose that the work of the Church, even its missionary and evangelistic work, is to be done by clergymen alone. If we had an unlimited supply, they are by themselves inadequate to the work. The ordained minister never speaks the word effectively unless the vital force of the living body of Christians gives power to his voice. And the official ministrations of the clergy need to be supplemented by the zealous coöperation of the laity, if the enlightening Gospel is to reach into the remote recesses of our complicated modern life. We should seek above all things to develop and to extend the work of our laymen in the devotional and evangelistic work of the Diocese. Much has already been done in this direction; much more can and must be done. Within the last year or two some rather extraordinary instances of effective lay work have occurred in this Diocese. Doubtless you will hear something of them when we come to discuss our missionary work. I only refer to them here for the purpose of illustrating and emphasizing the importance and value of such work. And this work is not less important in maintaining the proper life of the Church itself than in operating for its increase and extension. He is in no proper sense a Christian who is contented to enjoy Christian privileges himself without endeavoring to extend them to others. In exhorting his favorite son in the faith and ministry to the diligent performance of his duty, St. Paul reminds him that by so doing he would save *himself* as

well as those who heard him. It is one of the best signs of the times that the laymen in all our Christian bodies are coming to realize that they must show the reality of their faith by bringing it to bear upon the lives of others.

THE EVERY-MEMBER CANVASS.

In our Diocese we have been feeling this rising tide of interest and activity. Our laymen have not been wholly lacking in response to the demands of the times. I wish to call your attention to one particular form in which this new life has shown itself, and to ask you to consider whether we should not make special efforts to develop and extend the movement.

Of course, as we are situated, no great movement can be carried on without money. Money is really the medium of exchange for all kinds of human energy and intelligence in things secular, and money must be raised for the material support of our missionaries and their work. But what we need more than money is *life*, the real heart and desire of Christian people for the advancement of Christ's Kingdom. The movement known as the "Men's Missionary Movement" expresses a sense of this need; and as developed in the "*Every-Member Canvass*," it brings this aspect of the work to the attention of the people. As has been well said, it "*puts the emphasis on the man rather than on the dollar.*" Heretofore we have endeavored to raise such or such an amount of money; in this method the effort is to reach every person and to enlist the interest of every person, so that each one may take some part, just what each one may choose, large or small, according to the several ability of each, and thus enlist the real heart of the Church in the Church's work. Unquestionably this is the true principle upon which we should act. We should secure the active interest and coöperation of each member of the church in the work of the Church—and then the work will be done.

This every-member canvass has been tried in several of the larger parishes, and in some of the small congregations of the Diocese, and with uniform success, both in arousing personal interest and in developing a more liberal support of our work, general and local. This has been owing largely to the inspiring influence and leadership of our Provincial Missionary Secretary, the Rev. Robt. W. Patton. It is impossible, however, for Mr. Patton to visit more than a very few congrega-

tions in each Diocese. He can only show us the way and help us to make a beginning. If his work is to be effective we must learn to do for ourselves throughout the Diocese what he has done for us in a few parishes here and there. Aroused by his efforts, our sister Diocese of East Carolina has been carrying on by a Diocesan committee this Every-Member Canvass in all parts of the Diocese, and with the most gratifying results. I earnestly recommend to this Convention that as its chief work at this session it adopt and put into operation a scheme for an "Every-Member Canvass" throughout the whole Diocese, and thus develop and utilize the full power of the Church for its important work.

THE EMERGENCY FUND.

This brings me naturally to the special appeal now made by our General Board of Missions for special and immediate assistance to meet a pressing necessity. Four hundred thousand dollars, in addition to the usual apportionment, is needed to enable the Board to meet its obligations by the end of the current fiscal year, August 31, 1915. A committee of the Board, composed of some of our best and wisest Bishops, Priests, and Laymen, have suggested that each member of the Church, clerical and lay, give one day's income, one-three-hundred-and-sixty-fifth part of his annual income—to relieve this pressing necessity in our missionary work. This suggestion has commended itself to many generous minds, and a wide response is being made, so that already more than one-fourth of the needed amount has been paid into the treasury. Among our North Carolina churchmen many have felt moved to coöperate in this plan; and next Sunday, Whitsunday, has been in many places appointed for carrying it out. I therefore add my voice in support of the effort to enlist the generous response of our people. Let us all upon next Sunday, each using such means as he may think best, endeavor to secure from all willing hearts a gift of one day's income for our General Missionary work, to be collected by such person as the minister may appoint, and forwarded promptly to Mr. Geo. Gordon King, Treasurer, 281 Fourth Avenue, New York.

There are a number of important matters demanding the attention of the Convention at this session. Some rearrangement of our Missionary work in the three Convocations has

been suggested, and will be presented to the Convention by a committee appointed by the Convocations. We should also have a report from our Committee upon the Celebration of the approaching Centenary of our Diocese. Some reorganization of the administration of the Thompson Orphanage, so as to secure a larger Board of Managers, and thereby a more adequate representation of our Dioceses and of the people interested in it, will probably be advocated, and should be carefully considered. We shall also hear from our great educational institution, St. Mary's School, which continues to deserve and to receive the loyal support, not only of our Carolina Dioceses, but of many other Dioceses, especially in the South.

I feel that I should ask your special consideration of our work among the Negroes of the Diocese. The actual work among them is in the hands of the Convocation, as is the case with all our Diocesan missionary work. But the Convocation needs the support of the Diocese, and I think we have not realized our duty to our Colored work. The treasury of the Colored Convocation needs the contributions of all our congregations in accordance with the repeated recommendations of this Convention; and our colored clergy and our colored people need the sympathy and coöperation of our white clergy and people in all communities where we are working among them. We can never do our duty by any class of our brethren by simply giving money. We must give also personal sympathy and personal interest. I bespeak for our colored clergy and congregations the increasing interest and coöperation of all our people in their efforts for the Christian culture of that great class of our population whose lives are so inseparably bound up with ours, without whose elevation and religious culture we can not maintain a high standard of Christian civilization. In this connection we are asked to express again our views upon the best method for the general organization of the Church work among the Negroes of the South, and I doubt not that you will give the matter your earnest consideration.

I feel more than you do, how impossible it is to say all that should be said on such an occasion, when we come together to consult for the best interests of the Kingdom of God on earth. I have touched most briefly upon a few of the many subjects which demand our attention. I trust we have

God's holy inspiration to think the things that are good for His cause entrusted to us, and His merciful guidance that we may perform the same for the setting forth of His truth and the building up of His Church.

There is quite a decrease in the number of communicants, but I do not feel that I ought to report any except those canonically entitled. Quite a number of names appear on the register and no one knows where the people are, and as they have not received the Holy Communion in this church within three years past I cannot report them as communicants and have therefore placed their names under "Removed," though there are no records of transfers.

I have generally visited this mission once a month for two years, preaching and celebrating the Holy Communion each time, and visiting the members and others. I also visit the members at Richmond Mills, some five or six miles distant, each time I go to Laurinburg, and hold services and preach in the chapel at that place.

By far the larger portion of the persons reported are those who

are, or have been engaged in the cotton mills in this section—many of whom live at or near the Richmond Mills. The discrepancy in the number of families compared with the last report, arises from the fact that I have counted as families those where a majority of the members have been baptized in the church. These were omitted last year. Three persons have been added to the number of baptized persons whose names were omitted last year.

At a number of other places I have officiated as follows: Services 39. Sermons and addresses 32. Baptisms 5. Celebration of Holy Communion 22. Marriages 4. Burials 4.

In the months of April, May, November, December, 1914, I gave much time to canvassing outside of the limits of the Convocation for the Inter-denominational House of Worship at the State Farm.

None of the visits or addresses made in the course of this canvass are included in the summary of official acts given above.

The Rev. Mr. Bost, owing to the heavier burden now devolving upon him by the departure of his former assistant, Rev. Thos. L. Trott, has been compelled to cease giving monthly services at Holly Springs.

I have felt bound to do what I could to supply regular services to some of the vacant charges. Roanoke Rapids, St. Luke's, Northampton County, St. John's, Wake County, Selma, Sanford, The State Farm, Macclesfield, Cuninghame and Milton, are places that I visit with more or less regularity.

A cheering view of the general situation is that throughout the Convocation all congregations are interested and eager for the leadership and regular ministrations of clergymen.

In spite of a shortage in our Convocation treasury in December and January, by the timely and generous gifts of individuals, the increased contributions of at least one parish, and perhaps more, and by a general rally of parishes and missions to meet their apportionments, all stipends have been paid to date and the treasury is at present easy.

The church at Townsville has at last been completed.

Respectfully submitted,

N. COLLIN HUGHES,
Archdeacon.

Missions conducted	4

The past year has been a most encouraging one from every viewpoint. Our brethren, both clerical and lay, as well as our ever faithful and devoted band of women, have manifested a splendid spirit of sympathetic coöperation in the promotion of the work of the Kingdom both at home and abroad, which has had the added effect of greatly inspiring those of us to whom in God's providence, the oversight of our missionary activities has been entrusted.

It affords me no small degree of pleasure to be able to report that at present we have only one unsupplied Mission in the Charlotte Convocation, and here services are held several times during the year. I refer to the Gallaway Memorial Mission at Elkin, which, because of its remoteness, cannot be served conveniently by the nearest missionary, 70 miles distant.

During the past year only one Parish out of thirteen failed to complete its apportionment, and three Missions out of thirty-two; several have overpaid.

I feel safe in saying that no Convocation in the American Church can boast of a more faithful, efficient, or self-sacrificing body of clergy, for which we thank and praise God's Holy Name.

We are most fortunate in having secured a resident worker for St. Timothy's Mission, Union County, in the person of Mr. Jacob Frederick Burg, a Candidate for Holy Orders, who, with the assistance of Mrs. Burg, is doing a most effective work in that really strategic field.

Last summer, with the assistance of the clergyman in charge, missions were held at St. Mark's, Mecklenburg County, St. Matthew's and St. Judes', Rowan County, and Ascension Chapel, Davie County. The attendance was excellent, and much interest manifested.

Since the last meeting of the Convention, many of our churches and chapels throughout the Convocation have undergone some much needed repairs, and at Reidsville, a new brick church is in process

of construction, which, when completed, will be one of the most attractive and substantial buildings of its kind in the Diocese, and is a concrete example of what can be accomplished by a few really zealous men and women, when undertaken in the right spirit.

According to our present scale of apportionments, there is an annual deficit of approximately \$1,000 between the sum total of said apportionments, and the appropriations necessary to keep our work up to its present state of efficiency. The promptness with which the apportionments have been met, coupled with the generous help of our friends in the way of individual offerings—for which we are most grateful—has enabled us to close the year practically free from debt.

Archdeacon.

REPORT OF THE ARCHDEACON OF THE CONVOCATION OF THE COLORED PEOPLE.

To the Right Reverend JOSEPH BLOUNT CHESHIRE, D.D.,
Bishop of North Carolina:

MY DEAR BISHOP:—The following summary constitutes a part of my report for the year ending March 31, 1915.

I have made 68 visitations to the different Mission Stations of the Convocation at which times I have conducted, in whole or part,

118 services, delivered 93 sermons and addresses, administered 50 celebrations of the Holy Communion, married one couple, baptized four infants and one adult. To do the work included in the above summary, I had to travel 4,000 miles within the Diocese; I have also traveled several thousand miles without. My trips outside of the Diocese were as follows: As President of the Conference of Church Workers Among Colored People, I attended its Thirtieth Annual Session which met in St. Philip's Church, New York City, October 6, 1914. On returning, we preached to the congregation of St. Augustine's and of St. Simon the Cyrenian, in the city of Philadelphia. There are other trips of which I may speak later; but to spend no two consecutive Sundays in the same place may safely be considered the rule of my itineracy for the Convocation; occasional violations may well be considered exceptions to the rule.

In behalf of the Convocation and its workers, I am constrained to reiterate that many encouraging features bespeak for it a better day. I question the gathering together, anywhere, of a band of men more loyal or self-sacrificing than your little band of Negro Clergy with their co-laborers. The virtues of the Church as it has been given to them is preached with all sincerity, not alone in highest places of honor, but in the prison wards and in the chambers of death. The work at the State Penitentiary that was so earnestly pursued by the Rev. Mr. King has been taken up by his successor, the Rev. Mr. Satterwhite, and during the past year he and another have baptized and prepared for eternity, five men who had forfeited their lives to the State because of crime.

Mr. Harold McLean, a graduate of St. Augustine's School, has been sent to Henderson to work as catechist under the Rev. I. W. Hughes. The Rev. Josephus McDonald, who has had charge of the Missions at Greensboro and Winston-Salem, has been called to St. Augustine's School, and Mr. George W. Bullock, a student of the General Theological Seminary, has accepted an invitation to become catechist in charge of these Missions for the summer. Our Mission Schools are reported to be doing good work and with increased numbers.

We regret to inform you of the closing of our St. Augustine's Conference, patterned after what was first known as the St. Mary's Conference, and that the colored clergy might get the benefit of such a large gathering of distinguished churchmen, we planned to have our St. Augustine's Conference meet at the same time and place.

This little conference was planned and fostered by some of our leading educators, and the clergy and teachers of the Colored Convocation will never forget the inspiration that was given them by the Bishops of North and East Carolina with their Archdeacons and other distinguished clergymen of the Diocese, who performed, as it were, the part of a faculty for this little school. But the Conference was designed to benefit the brethren of contiguous Convoca-

tions as well; and after repeated efforts to attract them in sufficient numbers to justify the outlay, but without success; the only alternative now left us is to close the Conference. In obedience to the mandate of this Convention I have, each year, sent a letter to the brethren of the clergy in which I have outlined the condition of the Colored Convocation, and have asked your aid. In most instances the response to the appeals have been disappointing, but it is evident that greater interest is being taken in the affairs of the Convocation. Letters have come to us from several sources bearing expressions of sympathy and aid, and one of the strongest parishes of the Diocese has pledged us ten per cent of their Missionary offerings. I have been very anxious that the parishes and missions of the Diocese would assist me in completing the Thomas Cain Memorial Church at Warrenton; it was a part of the plan, that *your strength* should be coupled with *our weakness*; may I hope that the \$1,500 necessary to complete this church may yet be secured in this Diocese? Our thirteenth Annual Convocation which met in the town of Warrenton last September held its sessions in the basement of this church, and its first service was marked by the ordination of the Rev. John E. G. Small to the diaconate, and at the same time, their minister in charge, the Rev. Joseph Hudson, was advanced to the priesthood. This basement is now used as church and the home of our prosperous Mission School; but the demands resulting from certain forms of exposure are great, and we see no way to relieve them. I cannot close this report without an expression of appreciation for the honor which you conferred upon the Race in having elected me as one of your Clerical Delegates to the Primary Provincial Synod which met in the city of New Orleans last November. That election made me the only Racial representative of the church in this country in that body; and at the same time placed the Diocese of North Carolina, because of its courage and fortitude, in the eyes of the whole world. Your sense of justice in dealing with the Negro must prove the surest solution of his problems for it is Christian, it is sympathetic, it is kind.

“So many gods, so many creeds,
 So many paths which wind and wind;
 While just the art of being kind
 Is all this sad world needs.”

Respectfully submitted,

HENRY B. DELANY,
Archdeacon.

REPORT OF THE PRINCIPAL OF ST. AUGUSTINE'S SCHOOL.

During the year there have been 500 pupils. This includes 110 Wake County teachers in our Summer Normal School last September, the nurses under training in St. Agnes' Hospital, the students in the collegiate and normal departments, those of the lower grades and the children of our practice school.

The industrial building for the work of the young men and boys was completed last summer and the George C. Thomas Memorial Dormitory has been completed during the year.

In St. Agnes' Hospital the patients this year have paid over \$7,000 toward their own support.

By action of the Board of Trustees on April 13, 1915, the present Principal was reëlected for another year and the Rev. Edgar H. Gould was elected Associate Principal, with the understanding that he would assume the responsibility for the administration of the School.

I make my appeal again for the interest of the people of the South in institutional work for the uplift of the negro race. The Church in the nation will stand back of the Southern people when once their interest and sympathy are awakened.

RALEIGH, May 19, 1915.

A. B. HUNTER,
Principal.

REPORT OF ST. AGNES' HOSPITAL FROM MAY 1, 1914 TO MAY 1, 1915.

We have had in St. Agnes' Hospital during the year 824 patients and 38 nurses. We have graduated nine nurses. We have finished off a large room on the fourth floor to accommodate patients for whom there is no room in the various wards.

Dr. Jennie A. Duncan, Resident Physician and Superintendent of Nurses, and Mrs. Lottie R. Jackson, Head Nurse, are both working under the United Offering of the Woman's Auxiliary.

On Donation Day, St. Agnes' Day, January 21st, we received from friends in the city of Raleigh about \$300 in money and a large amount of groceries and some other supplies.

We have received from patients' board \$7,036.57, which is nearly \$800 more than last year. From the city of Raleigh for charity patients \$1,375, from gifts \$2,338.71, and interest on Endowment Fund \$329.60.

Respectfully submitted,

SARAH L. HUNTER,
Superintendent.

 REPORT OF THE WOMAN'S AUXILIARY TO THE BOARD OF MISSIONS .
Right Reverend Father in God:

In spite of the fact that our country has suffered from the European war and that the darkness of international strife has cast its shadow over the world, our own outlook is bright. Our Auxiliary branches have done a greater work during these months of financial stress than ever before; and our Secretary's urgent call for extra effort has met with a ready response.

Few changes have been made in our list of officers, although, owing to a prolonged absence from home, our Educational Secretary, Miss Anna Buxton, has felt obliged to resign her position and Miss Emma Hall, of Charlotte, has been appointed in her place.

Our Diocesan and Educational Secretaries attended the Blue Ridge Conference held during the summer and we were represented by our President and Miss Hall at the Auxiliary meeting held in New Orleans in connection with the Primary Synod of the Province of Sewanee.

We have had stimulating visits from Deaconess Goodwin, who devoted most of her time to the young women in our church and normal schools, and from Dr. Mary Glenton, who came in the interest of Medical Missions in China.

A number of delegates from the Auxiliary attended the meeting of the Charlotte Convocation, and Conferences were held each day during its session.

Our Diocesan President has endeavored to keep in touch with all branches through the pages of our Diocesan paper, and has spent

more than two months during the year in visiting Missions and Auxiliary branches, new and old. At a Drawing Room Meeting held in Oxford she was assisted by the Diocesan Secretary.

Our financial report for the year is as follows:

Besides the regular items on the pledge list, the special objects emphasized during the year have been:

St. Luke's International Hospital, Tokio, Japan.

St. Mary's School, Shanghai, China.

The Parish House at Chapel Hill, and

A Scholarship at the Valle Crucis Industrial School.

An increased number of branches have observed a Corporate Communion and have held Study Classes. These have been at work during the Advent and Lenten seasons, and one branch has reported a weekly class, lasting throughout the year.

Many interesting meetings have been held which were attended by representatives of the missionary societies of other Christian bodies; and we, in turn, have helped them. One of the good results has been a better understanding and a closer drawing together of Christian women.

Respectfully submitted,
